What is Love & Logic All About?

The Love and Logic Institute is dedicated to making parenting and teaching fun and rewarding, instead of stressful and chaotic. We provide practical tools and techniques that help adults achieve respectful, healthy relationships with their children and help them prepare their kids for the real world. All of our work is based on a psychologically sound parenting and teaching philosophy called Love and Logic.

Training Sponsored by:

High Plains Early Learning Connections,
Hershey Public Schools,
PRT 16, and SCIP Part C funds
